**1626.) Anonymous survey of the ESPGHAN Quality of Care (QoC) Task Force****Data protection statement according to Article 6 General Data Protection Regulation (GDPR)**

As the Data Protection Officer of the LMU Hospital of the University of Munich, I herewith give my approval according to Art. 6 DGPR for the procedure "**1626.) Anonymous survey Quality of Care of ESPGHAN**", led by Prof. Sibylle Koletzko, Div. Pediatric Gastroenterology & Hepatology, Dept. Paediatrics, Dr. Hauner Children's Hospital, LMU University Hospitals Munich.

***The procedure "1626.) Anonymous survey Quality of Care of ESPGHAN" and its proposed form of data collection, data management and data processing do not involve any data protection concerns.***

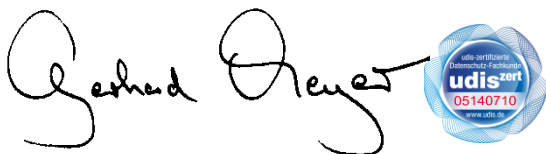

The proposed procedure of the ESPGHAN Quality of Care project fulfils criteria of data anonymization and is compliant with Recital 26, GDPR as well as the Article 24 of the Bavarian Data Protection Law (Art. 24 BayDSG) (Art. 89 DSGVO).

This approval refers to the enclosed application dated 04.01.2021 of the Div. Pediatric Gastroenterology & Hepatology, Dept. of Paediatrics, Dr. Hauner Children 's Hospital, and relevant correspondence. This approval can be revised or revoked at any time if new events outside of the proposed procedure occur.

The project leader is obligated to inform the Data Protection Office immediately of any changes regarding the automated data collection, data management and data processing of the procedure. Likewise, the project leader will be notified immediately by the Data Protection Office of any findings resulted through data protection investigations of this applied procedure at a later date and in case of any ammendment to this approval.

This data protection approval according to Art. 6 DSGVO has been registered in the registry of data protection procedure at the LMU University Hospital of Munich.

Yours sincerely

in representation
